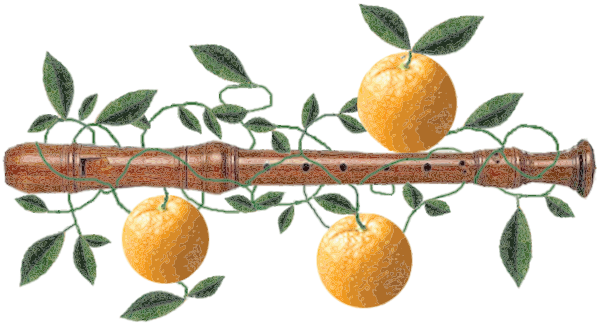
Orange County Recorder Society



Come Celebrate our 40th Anniversary

at the Irvine Ranch Water District Duck Club in Irvine

Please plan to join us for a day-long celebration on Saturday, **October 18, 2014**. It will be a day of music-making, socializing, and celebrating. We hope that a large number of OCRS, SCRS, SDCRS, SCEMS members, their guests and other members of the early music and recorder community will attend this free event, either for the full day or to drop in for a couple of hours. The Duck Club is located in the San Joaquin Wildlife Sanctuary, not far from the UC Irvine campus. Details will be announced at a later date.
